

St. Jude Global Nursing

International Evidence-Based Practice Nursing Fellowship

Apply Today

Applications due by October 16, 2026

St Jude Global Nursing is excited to announce the 4th Cohort of International EBP Nursing Fellowship

in collaboration with the departments of Nursing and Nursing Research

Program Description

The International EBP Nursing Fellowship is a comprehensive 18-month initiative by St. Jude Global Nursing, to empower nursing professionals with the skills to integrate evidence-based nursing practices into clinical care.

Fellowship Features

- Self paced online and experiential learning opportunities.
- Collaborative learning with the Nursing Peers from St. Jude.
- Designing and implementing an EBP project to improve patient care within their own setting.
- Presenting & Sharing the outcomes of the EBP project.
- Clinical Observer ship opportunities during Visit to St. Jude.

Eligible Applicants

- Nurses with minimum of 2 years clinical experience in Pediatric Oncology.
- Minimum MSN or BSN degree (Masters preferred).
- Fluency in English.
- Proficient in Microsoft Word, Microsoft excel and Microsoft PowerPoint.
- Committed to fulfill all the requirements of the fellowship.
- Plan to remain in pediatric oncology practice for at least 2 years after training.
